NOTES FROM THE TEACHER

Valentines Day is next week on **Wed, Feb 14th**! We don't have a party, but the students can bring their Valentines cards and/or treats to school, and we will pass them out right before lunch in our classroom. Don't worry. . . I won't let them eat ALL their candy;)

PICK-UP TIMES

During pick-up times, I cannot talk to parents. There are too many safety hazards involved with keeping my eye on the students walking to cars safely, managing the students still waiting for rides, and talking to parents at the same time. Also, unless you're planning on walking into the building to pick up your kids, please join the "assembly" line instead of parking. I would be happy to talk after 4:15. Just let me know a day ahead, because sometimes I have errands right after school. Thank you!

Home & School

We need more volunteers!

Sherri Nicolay needs help during recess time, 12:30-1:00 p.m. The kids are split up in groups during recess—K-4th together & 5th-8th together. K-4th is such a big group, two adults are needed to help supervise. If you can help, please make sure your background check is completed and Bob Nicolay has it in a file. **You can call Sherri at 970-261-7029.**

Hot Lunch

Feb 13, Tues: Veggie burgers, French fries & applesauce

Feb 15, Thurs: Turkey wraps & chips

BUCKET Fillers

We read the book Have You Filled a Bucket Today?, and the students earn tokens when they are bucket fillers (being kind) instead of bucket dippers (the opposite of kind). Once the classroom earns 100 tokens altogether, they will get a surprise. Check out this awesome book!

Sight Words

The sight word lists are starting to get long, and when that happens, I only publish the most recent lists. However, if you would like a complete list, just “Google” “Fry’s First 100 Sight Words” or “Dolch First 100 Sight Words” for kindergarten. For 1st grade, search “Fry’s 1st Grade Sight Words” or “Dolch 1st Grade Sight Words”.
